From Chairman's Desk

Seervi International School is a place of high excellence. Its aim is to make the school not only the best in area in which it is situated but also the best everywhere. All aspects of the school life viz. academic, curricular, co-curricular games, sports etc. is of the highest order. We ensure that every child going out of the school should be a torch bearer of high ethical values along with a personal commitment to the pursuit of excellence in life. The teachers create an atmosphere where the students have a sense of pride in belonging to Seervi International School and its ideals.

I assure both, the parents and their students excellent launching ground for their success helping them to reach the pinnacle of glory in the rapidly developing world. Our endeavour is not to transfer the printed material from the books to the brains. Our mission is to provide skills knowledge and the environment in which our students may learn to appreciate and understand modern technology, modern futuristic, global outlook alongwith their potentialities into realities and also to fortify themselves with the required knowledge and skills to face the challenges of the competitive world.

"Wishing you good speed and the very Best in life"

Mr. Laxman Seervi

Our Vision

Seervi International School having a sound vision to nurture the potentials lying unexplored in the children up to their extent of sprawling stage of their mind-horizon, for achieving totality in allround development of students.

Our Mission

To provide a loving secure environment for mental and physical development. to stimulate and encourage the child to explore. Allow each child to grow and develop at his/ her own pace.

About SIS

Seervi International School is located in a rural area of Pali district. School is having a art of infrastructure with outdoor and indoor games to promote, build and develop the physical and mental growth of children. The school has a good team of trained teachers having proven credential and innovative methodoligiws for imparting learning work. The school focuses of both academis as well as co-curricular programs like calligraphy, Essay writing, poem, drawing and painting, debate extempore, group activities, GK Dance etc.

From Headmistress's Desk

"In this world there is nothing so sublime and pure as knowledge he who attains purity through a prolonged practice of karmayoga Automatically sees the light of truth within himself in due course of time"

- Shrimad Bhagwad Gita
(Chapter. No. : 4.38)

"Education is the mainfestation of the perfection already in man"

Educational Process has to be dynamic so as to absorb and keep abreast with all the change that are taking place in the field of science, humanities and teaching methodology we at SIS provide an excellent opportunity and environment by acting as a catalyst and facilitator to develop their potential and promote success through quality education using appropriate tools, techniques and values that hardonize technogical advancement and humanistic wisdom.

"I Welcome all prospective students and parents to the family of SIS Vision
